CERTIFICATE OF LIMITED WARRANTY

ASP Health Inc. ("Manufacturer") warrants that each device and consumable it manufactures and supplies (each, a "Product") will be free from defects in materials and workmanship for one (1) year from the Warranty Start Date. The "Warranty Start Date" is the date of installation, as recorded by Manufacturer when it performs the installation, or as stated in an installation report submitted to Manufacturer by an authorized installer. For Products that are not installed, the Warranty Start Date is the date of delivery. If an authorized installer does not submit an installation report within thirty (30) days of installation, or if installation occurs more than [90] days after delivery, the Warranty Start Date will be the date of delivery. This warranty applies only when the Product is used under normal conditions and in accordance with its applicable manual and instructions, including those for application, cleaning, handling, repair notifications, and defect reporting and vigilance.

Scope of Warranty

This warranty covers the repair or replacement of the Product, at the discretion of the Manufacturer, for any defects in material or workmanship during the warranty period. The warranty does not cover damage resulting from:

1. Improper handling, storage, installation, transportation of the Product.
2. Use of the Product in a manner inconsistent with the instructions provided in the User Manual.
3. Unauthorized modifications to the Product.
4. Repair and/or maintenance has been done by third parties unless approved by The Manufacturer in writing beforehand and explicitly.
5. Non-compliance with maintenance, timely notification of defects, cleaning, and repair obligations.
6. Use or handling by non-authorized, non-qualified or un-trained employees or other individuals.
7. Off-label use or application for purposes other than those described in the instructions.
8. Accidents, negligence, or any other uncontrollable external causes.

This warranty shall extend to Client only and not to Client`s agents, purchasers, representatives, or third parties. All other warranties are hereby specifically disclaimed by the Manufacturer. Client is liable for the exceptions listed above and may not enforce any claims against the Manufacturer under or in connection with any agreement and/or transaction. Any maintenance and repair services that should be performed as a result of the above exceptions may be charged to Client.

Claim Procedure

To make a warranty claim, the original purchaser must contact the Manufacturer within the warranty period. The purchaser may be required to provide proof of purchase and describe the nature of the defect. If a defect covered by this warranty is confirmed, the Manufacturer will, at its option, repair or replace the defective Product.

Limitation of Liability

To the extent permitted by law, the liability of ASP Health, Inc. for any and all claims arising out of or in connection with the Product or its use shall not exceed the purchase price of the Product. In no event shall ASP Health, Inc. be liable for any indirect, special, consequential, or incidental damages.

No Other Warranties

This warranty is the sole and exclusive warranty for the Product and is in lieu of all other warranties, express or implied, including but not limited to, any implied warranties of merchantability or fitness for a particular purpose.

Effective Date

This warranty is effective for Products purchased on or after the date of manufacture.
